Subject: Application for the post of Assistant Professor in Zoology.

Respected sir,

With reference to the subject mentioned above I am applying for the post of assistant professor in Zoology in your college. I have the necessary qualification for this post. I have completed my masters in Zoology with computational molecular cell biology specialization and holds a bachelors degree in Zoology and Fisheries from Shivaji University Kolhapur with distinction. I have two year experience in this field and for this year I would appreciable an opportunity to work in your college if you consider my application for this post.

I have attached my relevant documents with this application and look forward to hear from you.

Thanking you.

Yours Sincerely,
