Counselling of Girls 13/03/2021

Report

The new comer girl students have difficulties during their college journey or may have personal problems. These girls are coming first time to colleges, hence to solve their problems counselling programme is necessary. Hence every year, we carry out counselling of B. A., B. Com. and B. Sc. I year girl students.

Committee tries to empower the girl student. To empower women means to authorize power or to increase the overall position, status and condition of women in every spheres of life. Hence various sessions about self defence course -yoga, rights, responsibilities, various laws, personality development, self defence training, yoga camp, cultural activity/sports, mehendi, fashion designing, beauty parlour are carried out during the whole year. The girl students are also made aware of social, political, economical health, moral lights, decision making power, needs and interests of girls and prevention of sexual harassment.

Women empowerment committee tries to improve qualities like discipline, leadership, etc. College faculty tries to improve qualitative/quantitative performance along with personality development and gender equality.
