CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500

For each academic year the college prepares the academic calendar consisting of curricular, co-curricular and extracurricular activities for effective implementation and delivery of curriculum. Accordingly, the academic departments are instructed to develop the action plans. The details of the stages are as follows:

- i. Departmental Meetings: Regular Departmental meetings have not only played an important role in planning the curriculum delivery but have also provided a platform to discuss the course contents, discuss the difficulties in delivering the content, finalizing the quality objectives and preparing of the assessment methods.
- ii. Departmental Academic Calendars: Departmental academic calendars have helped the departments to plan and implement the departmental activities. Each department has its own academic calendar, which is in synchronization with the institutional academic calendar.
- iii. Assessment of workload: The tentative workload for the next year is sought at the end of every year. This has helped the administration to assess the need of teaching and non-teaching staff in terms of number and facilities.
- iv. Syllabus Distribution: Based on the workload and discussions held in the departmental meetings, syllabus distributed as per classes and papers for teaching. Based on the teaching experience of the teacher, the classes / papers are also interchanged.
- v. Time Table: The timetable is finalized at the institutional and departmental level. The stream wise timetable committee designs the timetable. The Head of the respective departments finalize the departmental time-table in consultation with his or her colleagues.
- vi. Teaching Plan: The concerned teacher prepares the teaching plan and Head of the Department check the plan. The teaching plan not only helps the teacher to plan the curriculum delivery in time but also reflects the use of various teaching methods such as ICT, group discussions and experiential teaching etc.
- vii. Implementation of Teaching Plan: The implementation of the teaching plan is verified and the head of departments guide the faculties if there are difficulties and requirements in carrying out the teaching plan. This practice creates healthy atmosphere in the departments.
- viii. Reporting to the principal for Teaching - Learning progress : The Head of the Department informally discusses with the principal about the progress of the teaching learning at the end of every month. The heads also discusses the performance of the students, new teaching learning strategies and evaluation methods used in the department.
- ix. Monitoring by IQAC: The Internal Quality Assurance Cell monitors the overall process through collection of online feedback from students and conducting regular Academic Audits by external peers. The IQAC follows a transparent approach to make sure that the shortcomings in curriculum delivery are identified and rectified in due time.
- x. Announcements through website, WhatsApp group and Google Classroom : The students are periodically intimated regarding topics to be taught, syllabus completion and tentative examination schedule through website , WhatsApp group and Google Classroom formed of different subjects' class wise.

1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
<p>Feedback on syllabus is an essential and regular practice. The feedback mechanism is as follows: 1. The feedback is taken from students, subject experts, parents, teachers and industrial experts. It is collected by the college feedback committee, headed by a senior experienced faculty. Feedback committee designs and develops the format for feedback forms on syllabus in consultation with heads and the teachers of academic departments. The proforma are circulated to the departments. Later they are handed over to the stakeholders. b. The feedback forms are quantitative in nature. The feedback is based on quantitative analysis of satisfaction index containing stakeholder's quantitative response to the theory, training and evaluation parts of the syllabus. c. The collected feedback is analyzed and quantitative index of satisfaction of the stockholders' on the syllabus is discussed in the IQAC meetings for improvement. 2. Role of IQAC: In the meetings of IQAC discussion on feedback analysis is carried out, and with few suggestions the directions for a feedback committee regarding the action are given. IQAC give suggestions for delivery of curriculum, in the teaching learning process and evaluation to the departments based on the feedback analysis reports. This process immensely affects improvement in the overall development of the college. The College development committee approves the suggestions made by IQAC. 3. Communication to BOS: After analysis of feedback forms, the feedback committee instructs the teachers from various departments to take initiative in of communicating the desired changes in the curriculum and forwarding feedback analysis to the BOS of respective subjects. This process also adds or deletes or modifies the topics and the parts in the syllabus. Introduction of online feedback mechanism The college introduced online feedback mechanism in year 2018-19. It has resulted into simplification of collecting, analyzing and submission of feedback for various stakeholders. The online feedback form link is displayed on the website, circulated to the stockholders WhatsApp groups. As a result the feedback mechanism become more transparent, robust and stockholder friendly</p>

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Institutional Reforms in continuous evaluation: In addition to the reforms such as decentralization of assessment process initiated by the university, the college has implemented following strategies to evaluate the performance of the students. As visualised in the perspective plan, the college internal examination committee is established in 2013. The committee is headed by the expert senior faculty for each stream. The committee worked towards making the internal evaluation more transparent and objective. After the consultation with the IQAC, it introduced the following reforms: • Encouragement to conduct formative tests: The committee guided the academic departments to conduct the different types of formative tests so that the fulfilment of objectives of the topics and the learning levels of students checked periodically. • Besides traditional methods such as Home Assignment and tutorials, new methods such as open-book tests, surprise tests, seminars, multiple choice question series,

quiz , group discussions were introduced at the departmental level. The faculties are given space and time to conduct such formative tests. The evaluative reports of these tests were collected in the department, put to the cross checking by the head and later collective review is taken by the principal. The reform has resulted into increasing the level of subject knowledge. • Biannual conduct of pre semester examinations a preparatory: The committee prepares the schedule of pre semester examination and displays the notification of it on the website. The faculties set the question papers as per the pattern of the university examination. The model answers set is kept ready by the faculties. The central assessment is carried out in the college itself. The evaluation reports are prepared within stipulated time. The students are conveyed the results through the departments. • Conduct of conducting e-tests: The departments are encouraged to use ICT to conduct the formative tests. The practice of e-tests is carried out in the few departments. • conduction of entry level tests: As per the instruction given by IQAC college has introduced entry-level test for newly admitted students to identify slow and advanced learners From the year, 2019-20 at beginning of academic year. The responsibility of organizing entry-level test is shouldered on internal examination committee. The committee collected the set of questions from different departments to set the question papers program wise. The utmost care was taken for the maximum attendance of the students. The questions were set deliberately based on last examination of the students. The results was analysed to identify slow and advanced learners and respective departments were communicated about the evaluation results.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The college plans and organizes the teaching, learning and evaluation schedules well in advance. Academic Calendar: The preparation of academic calendar for the next academic year begins in April i.e. before the end of every academic year. Every department submits a detailed academic and activity calendar of the department to the IQAC. Considering the academic calendar provided by the university, a comprehensive academic calendar is prepared by the committee of Heads of the departments, vice principals and the principal with the help of IQAC. The college annually publishes 'Academic Calendar' containing the relevant information regarding the teaching learning schedule (working days), various events to be organized, holidays, dates of internal examination, etc. The academic calendar is prepared so that teachers and students should know all the activities regarding teaching-learning process and it is also published on website of the college, and also displayed in each department of the college, in the faculty room and in the Principal's cabin. Evaluation blue print: Evaluation of students' knowledge through class room / laboratory learning is major component of evaluation. The college prepares schedule for internal examinations well in advance and displays on the notice board as well as college website. The college follows the structured evaluation pattern for the UG courses. The college conducts the pre-semester examination. The pattern of the question paper of the university is followed to prepare the question papers and is intimated to the teachers and students. The schedule is strictly followed. The evaluation of the semester examination is done through the central assessment programme. The pattern of internal examination for courses in Arts, Commerce and Science Pre-semester examination is conducted for all classes as per university pattern in each subject. For B Sc, B Com and B A part III twenty percent marks are allotted for the internal evaluation. Internal evaluation is carried out by organising seminar, projects, oral, group discussions , unit tests etc.

Policy for Maintenance and Utilization of Physical, Academic and Support Service Facilities Introduction: The college is committed to provide the academic ambience, accordingly services and facilities are developed to the benefit of the stakeholder. These physical, academic and support services and facilities cover almost every aspect of the college functioning such as teaching learning, buildings and classrooms, library, laboratories etc. The need of policymaking arises from the expectation of constant, uninterrupted and smooth functioning of these services and facilities. Statement: The policy assures the optimum utilization and proper maintenance with a standard required specification of physical, academic and support service facilities of the college to accomplish the high degree of excellence imbining human values in all endeavours. AIMS OF THE POLICY 1. To achieve optimum utilization of facilities and services for the benefit of stake holders 2. To receive constant, uninterrupted and smooth functioning of physical, academic and support service facilities. 3. To prevent misuse and misconduct of resources and services. 4. To achieve timely up-gradation, replenishment, repairing and replacement of the resources and services 5. To set standardized maintenance and utilization procedures for resources. 6. To reduce probabilities of accidents at workplace for ensuring safety Mechanism for implementation of the policy: The following mechanism is developed to look after the maintenance, up-gradation, replenishment, repairing and replacement of facilities and services. The mechanism assures the involvement of all the stakeholders Administrative office: The administrative office is a ground level step to fulfil the commitment expressed in the policy statement. Day to day maintenance and care is taken by the administrative office, in consultation with the principal. The office registrar looks after this all-routine maintenance. Purchase committee: The purchase committee headed by a senior faculty takes annual review of the facilities and services. The report is put forth in the meeting of purchase committee chaired by the principal. The co-ordinator of IQAC is an invitee to these meetings. In these meetings, priorities are fixed and important decisions are considered for IQAC and LMC/CDC meetings. After receiving permissions in IQAC and LMC / CDC committees, the purchase or maintenance expenses are utilized as per the pre- determined procedures. Local Management Committee/ College Development Committee: LMC/ CDC monitors overall functioning of facilities and services. The reports and reviews received from the purchase committee are considered during these meetings. The absolute and essential requirements of minor expenses of maintenance or replacements or construction are immediately sanctioned. The major requirements of large expenses are sent to the parent institute for approval and funding. For ICT facility maintenance and up-gradation College appointed the technical staffs. It is the policy of the parent institute to recruit the support staff having mechanical and technical skills of certain kinds. General measures for optimum utilization 1. Departments and office staff takes care of facilities provided to them. 2. Instructions are displayed for the proper use infrastructure facilities. 3. The technical staff looks after ICT facilities. CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Decentralization and participative management District level Job fair at the campus on 22-08-2019 A large employment fair was organized with the help of Skill Development, Employment and Entrepreneurship (SDEE) Satara on 22-8-2019 after the college received a letter from SDEE requiring 978 posts at 21 companies. The SDEE is a government department that promotes the employment opportunities through the skill development and arranges the job fair. Considering the requirement of the posts and possible participation of the college students and external candidates, the placement cell planned to arrange the event as per the guidelines by IQAC. For such a large event, decentralization of management and involvement and participation of the teachers, Administrative staff and students is must. Therefore, the responsibilities and duties were confirmed and the committees such as advertisement committee, Invitation committee, Candidate Registration Committee, Interview Hall Arrangement committee, Inauguration Committee, Breakfast and lunch committee were formed to aid the placement cell. The news of the job fair was advertised on the SDEE website, the college website,

Students WhatsApp groups and Local newspapers. The representatives in the student council called upon the students' community not only to participate as candidate but also as volunteers to help in arrangement of the fair. Students from NCC and from various departments participated as volunteers. Then Satara District collector Shweta Singhal was Chief Guest for the inaugural programme. In this fair, total 445 students participated. Out of which 119 were lady candidates while 47 candidates from minorities registered themselves. 144 candidates were selected in the campus interview. Starting of M. Com from the year 2019-20. Department of commerce is a major stream having more than 600 students in its credit. Hundreds of them get passed out every year. It was long standing demand of the students on the part of the students to open them the gates of the further education. It would also boost the vertical movement and widen the range of job opportunities to the college students. The issue was often discussed in IQAC meetings. Considering the demand of students to start M. Com the IQAC in consultation with college development committee decided to go for the PG program in M. Com. Accordingly, the resolution is conveyed to the college administrative office. The administrative office has prepared and submitted proposal to Shivaji University, Kolhapur within the stipulated period. The consistent follow up was taken by the college administrative office in this regard. After receiving approval of M. Com from the university and the state government, the instruction was given to the college building committee to setup the required infrastructure in the college. The building committee was consulted for availability of need of the classrooms and ICT facilities. The purchase committee is asked to analyse the requirements of new ICT instruments to set up the commerce laboratory. Considering standardized requirements' in consultation with faculties of commerce, the purchase committee called for the different suppliers with quotations. After due considerations in the meetings of purchase committee, the lowest quotation was sanctioned by the purchase committee unanimously. The proposal of expenditure for purchase of ICT instruments, books and construction of computer laboratory was sent by the college administrative office to the parent institution for the final approval. After receiving approval from parent institute, the actual work of the new laboratory construction and set up was started and within short span of time, it is completed. The library committee is also intimated regarding required books purchase. The library committee in consultation with faculties of Commerce Department prepared the list of required reference books and accordingly the orders of books are given to publishers. In departmental meeting in Commerce department the faculty raise the need of new faculty. The demand was put in front of College Development committee for approval. Accordingly, the new qualified faculty was appointed for M Com classes.

Research and Development

Research pool in the College is given a strong thrust since the last reaccreditation cycle. There has been renewed focus on interdisciplinary research in the College. Currently, faculties have sent several minor and one major research projects proposals to ICSSR/ DST/ UGC. Postgraduate research has been encouraged by the introduction of dissertation/project work. Some departments encourage undergraduate research in various ways - projects, seminar papers and assignments and management provides monetary help. The management provides every kind of help to the students participating in research oriented activities like Avishkar festivals organized at district, university and state level.

Library, ICT and Physical Infrastructure / Instrumentation

The College has effective mechanisms in place to ensure transparency in examination and evaluation process. The Evaluation processes consist of Continuous Assessment and Semester Examinations. The management takes care of smooth conduct of examinations and appropriate evaluation of students' performance. All the basic facilities and amenities are availed by the management. It effectively works as bridge between the university and examination committee of college. The nodal role played by the management is praiseworthy. The college also organized midterm exams of all UG programs to make students more familiar with university exams. The faculty evaluates these examination papers and student counselling is carried out for academically poor students.

Human Resource Management

Faculties are encouraged to update their knowledge by participating and sharing their views in workshops, conferences, seminars, refresher, orientation and short term courses. The college provides study leaves and

monitory assistance, as and when necessary. Promoting innovative teaching methodologies, Constant review of testing and evaluation patterns encourages creativity and analytical thinking. Faculty members are motivated to design contemporary, skill based and value-added courses. The financial assistance is given by the management for adoption of innovative practice in teaching learning and evaluation processes.

Industry Interaction / Collaboration

After reviewing suggestions from all stakeholders, the Curriculum Restructuring Committee brainstorms for additional inputs and the same is forwarded to BOS of University. An effective assessment of the current curriculum is done through feedback obtained from faculty, students, alumnae, subject experts, employers and members of the academic audit. After getting demand from students the college initiated skill based courses under community college including iron cast and foundry technology and Industrial waste water treatment. 8.Future Plans of Actions for Next Academic Year

Future plans for year 2020-21 Starting M. Sc. in environmental science: The college runs UG programmes in subjects like Botany, Zoology, Microbiology, Chemistry and Physics. Many of the students enrolled to these programmes demand the M Sc environmental science programme. Besides, the college found that many workers and employees from nearby industries also demand the same for their job requirement. So the college decides to start M. Sc. in environmental science in distant mode of learning through Yashwantrao Chavan Open University platform, Nashik. Starting M. A. / M. Sc. in Geography: In response to the demand from students and other stakeholders, the college decides to start the PG programme in the subject Geography in regular mode. Departmental academic audit by IQAC: To enhance the quality of education by generating learning ambience in the college, IQAC decides to monitor the small academic units of the college that is academic departments. The purpose is to find out the potential teachers and promising students in every department and to guide them properly for quality initiation and sustenance. To implement star college scheme: The college received grants of Rs. 1,04,00,000/ for implantation of star college scheme as per proposal of the college from the department of biotechnology, New Delhi. The purpose while implementing the scheme is to inculcate scientific values, increase research culture by providing interdisciplinary approach and increased exposure of

instrumentation to the students. Implementing SOPs as preventative measures to fight against corona pandemic: In the period of Covid-19 outbreak, is also suffering with large number of disease cases. The students, parents and the local community are hardly aware of the importance of the preventative guidelines laid by Govt. and WHO. So while starting the academic year, the college decides to design SOPs. It will help to keep check of the spread of pathogen in students, teachers and local community. The college also decides to organize seminar for health awareness and psychological counselling. To start new NSQF courses: as per Make in India policy of the central government, there is need of establishing skill imparting education system. Considering this changing pattern of education system, we decide to start the new courses based and accredited by NSQF guideline. Purchase of LMS software for ICT teaching: The use of ICT in teaching learning process is need of every education system to achieve the goal of blended teaching. LMS platform will provide easy controls over outcome based learning process. Enriching industry academia interaction: The interaction between the college and the industries is affected badly in the corona pandemic. So we decide to use online platforms like Zoom, Google meet to avoid physical interaction but maintain social and mental communication while establishing industry academia interaction. It will also enrich collaborative and linkage based activities and program. Student support through new prizes: The college decides to introduce the new prizes in area of sport, cultural, NSS and NCC to increase students' participation in these activities. Strengthening NET-SET guidance cell: The cell will focus on PG analytical chemistry and zoology students.
