Remedial Coaching Cell Annual Report

Academic Year 2021-2022

The college offers special attention to weaker students, especially those coming from socially and economically disadvantage background students. Remedial coaching sessions are held throughout the year for them. The system of remedial teaching is practiced to make up the deficiency of slow learners especially from the disadvantage group. The extra intelligent students of the same class are advised to assist their less privileged class mates. The cooperation of the parents is sought for conducting remedial classes on holidays/ extra lecture in special time table for weak students.

All Department of this college has successfully conducted the remedial coaching programmer for the academic year 2021-2022. Remedial coaching committee was formed on 15 July 2021 and prepared the entire plan and time table; maximum priority was given to the students belonging to the special categories like SC, ST, OBC and NT. It has received whole hearted support from all department of this college.

students support programmer or Lead College Scheme Targeted the regular and non- self financing course of affiliated colleges. To bridge this Gap, we provide programmers to slow learners and advanced learners. Advanced Learners students are identified on the basis of internal assessment, University Examination and Involvement in the classroom. Bright and diligent students are motivated and inspired to get university ranks.
