Report

The villagers have great faith on their village Goddess. The villagers were busy in the construction of the temple during the camp. NSS unit decided to help them in this regard. As the construction was going on 5km away on the top of the hill, it was not possible to carry the construction material by any vehicle. Therefore, students carried the construction material on the top of the hill and helped villagers in their work.

All the religion and caste volunteers get together for the completion of that work. The Principal was guide about this type of activity. There were 50 volunteers participated one day camp at Kushi.
