Har Ghar Tiranga Abhiyan 2022-23

11/08/2022

Har Ghar Tiranga Abhiyan" is an initiative that encourages Indian citizens to proudly display the Indian national flag, or "Tiranga," at their homes. The aim of the campaign is to foster a sense of national pride and unity among the citizens of India.

This campaign was initiated by the government of India as part of its efforts to promote patriotism and create awareness about the importance of the national flag. It encourages people to hoist the flag at their homes on significant national occasions such as Independence Day (15th August), Republic Day (26th January), and other important national festivals.

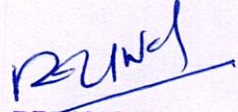

The "Har Ghar Tiranga Abhiyan" emphasizes the idea that every home should have the national flag, symbolizing the collective identity and shared values of the Indian people. By displaying the flag, individuals participate in expressing their love for their country and demonstrate their commitment to the ideals and principles it represents.

This initiative also plays a role in fostering a spirit of unity and solidarity among the diverse population of India, as the national flag serves as a unifying symbol that transcends regional, linguistic, and cultural differences.

To participate in the "Har Ghar Tiranga Abhiyan," individuals can obtain a national flag from various sources, including local markets, flag manufacturers, or government offices. It is important to ensure that the national flag is treated with utmost respect and dignity according to the guidelines set by the Flag Code of India.
