# DEPARTMENT OF GEOGRAPHY

Best Practice (2018-19 to 2022-23)

The Department of Geography is dedicated to providing quality education through teaching and demonstration required to meet the needs of growing field. Our students extensively participate in various activities i.e field survey, socio economic survey, seminar and related topics of subject, cultural activities, sport, social awareness programs question quiz, study tour, model making and further they presuppose graduate course.

Department of geography had conducted a village survey as a departmental activity from 2018-19 to 2022-23. The survey aimed to make the students aware with the various aspects of socio-economic survey and research methodology in Geography. The field study covered the following objectives of the village survey.

Socio economic survey

Village- Kushi, Nagewadi and Mhate (khurd)

Area of study

1. Physiography of the village
2. Location of the village on the map of Kushi, Nagewadi and Mhate (khurd)
3. Demographic structure of the village
4. Literacy
5. Culture and religion
6. Main occupation of the villagers
7. Land use pattern
9. Other infrastructure facilities
10. Problems and suggested solutions.

Maximum students participated in the field survey exercise and felt very much connected with socio-cultural environment of traditional villages.
