Feedback Analysis and Action Taken Report on Academic Ambience and Performance of College

Action taken Report for 2020-21

As per the feedback received from different stakeholders on academic ambience and performance many questions received positive responses while for only few questions the impression is good to average and no questions received impression of poor. Considering only those impressions which receives more than 25% responses as good to average are considered for actions to be taken to improve the area. These are as follows-

Stake holders	Question	Impression	Action taken
Students	Grievances redressal and placement cell working	Good	Grievance redressal cell made more proactive by designing new policy and various activity to be conduct under placement cell.
Students	Availability of research opportunities	Good	Policy of student funding to conduct research along with mentor teacher.
Employer	Communication and interpersonal skills	Good	Various programs are conducted and activities are carried out to enhance communication skills and develop personality.
Alumni	Importance of value added courses	Good	More value added/ skill based courses are introduced to enhance soft, communication skills and technological trends among the students.
