Analysis of feedback on curriculum 2021-22

Introduction of feedback on syllabus is regular practice in college. The feedback was collected from students, alumni, faculty and employers. The feedback is based on quantitative analysis of satisfaction of the syllabus containing theory, practical, training and evaluation methods used.

Category	Faculty	Students	Alumni	Employer
Score (in%)	74.13%	51.74%	48.36%	62.62%

Interpretation of analysis:

- On an average each stakeholder registers his /her feed –back above 45% shows that they are satisfied with the syllabus content.
- The satisfaction index of employer is due to incorporation of internships, hand on training and project in syllabus.
- Majority of alumni and teachers noted inclusion of additional topics and practical in the syllabus.

actually practical should be done as per Syllabus like making grafting , making bonsai plants , how to do hydroponics , organic farming ,how to make botanical pesticides ,organic herbicides, human herbal medicine courses should be involved at graduation level..nursery developement and their licence process, different plant cultivation and actual visit at the time of cultivation ,discussion with farmers ...so student can utilise this knowledge in his /her future career ..also R and D lab should be in college and one compulsory R and D project for each student and its presentation ...

Add social awareness

Very good

Yes

Syllabus shot kra

No suggestion
