Curriculum Feedback Analysis

Interpretation of analysis:

❖ On an average each stakeholder registers his/her feedback above 12% shows that they are satisfied with the syllabus content.

❖ The satisfaction index of employer is due to incorporation of internship, hand on training and project in syllabus.

❖ Majority of teachers noted inclusion of additional topics and practical in the syllabus as per need of industry and society. They want more applied based syllabus in the curriculum.

Action taken: After analysis and interpretation of feedback the report is conveyed to the board of studies.
